See Local Rule 36(c).

PER CURIAM:

James A. Butler appeals the district court's order dismissing his Federal Tort Claims Act suit. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Butler v. Warden, No. CA-02-4102-1-WMN (D. Md. Oct. 24, 2003). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
